founder and director of Cronogramma Srl >>> www.cronogramma.net / info@cronogramma.net

Cronogramma is a company founded in 2014 by Riccardo Orlandi and based in Verona, Italy. It incorporates the *Tannen Records* label and takes care of all its creative aspects, such as aesthetics (artwork and packaging), e-commerce management (upgrade, orders, newsletters, customer care, shipping etc.) and tax and financial affairs.

CFO, CRM, PROJECT AND PRODUCT MANAGER

november 2009 - present

founder and director of Tannen Records >>> www.tannenrecords.com / info@tannenrecords.com

Tannen Records is an independent record label founded in 2009 by Riccardo Orlandi and based in Verona, Italy. Over the years it has specialized in the publication of hand-numbered deluxe vinyl editions with highly finished packaging. It publishes the work of incredible Italian musicians from the last thirty years, thanks to the fruitful collaboration with *Universal Music Italia*, and in the past two years has created two collections which have been incredibly well received: *Vinili Doppia H* which specializes in reissuing the best hip hop Italian records of the nineties and *Spettro* which is dedicated to the reissue of Italian film soundtracks from the sixties and seventies. In 2014 *Tannen Records* won the PIMI award for "Best Independent Label" at the *M.E.I. Meeting Etichette Indipendenti*.
